MARCY'S SPECIAL TRPG NIGHT

Marcy's Special TRPG Night, a Fan-Made comic which based on the adaptation of Amphibia cartoon. The plot and characters are fictional, adult only.

This comic is completely free to read. Not available for any commercial use.

ENJOY!

Hey
Guys~

DING
DONG

Sorry I'm late.

Well well well
Isn't our princess?
Come in Marcy.

marMar!

I'm so glad you invited me to your house, Sasha! And you offered to take on the role of DM! A special TRPG game for me? What a Surprise!

So I spent some time taking what we need. Hold on let me find it-

MarMar, to be honest, we've played many TRPG with you. But this time we want to incorporate TRPG elements into the favorite 'game' of Anne and me. We don't know if you like this, so I think we may talk about today's details first.....

Pixiv ID: 15583241 Twitter: @Yumail_Official

HOW TO BE A GOOD DM

Found it!
All the details we need to discuss are right here!

This is the most complete DM guide I have ever collected, 100 pages full of requirements for DM hosting game, rules and playing procedures!

GOOD DM

Well actually, being a DM is a sacred job, you have to read all the materials before you can start the game. As a senior DM, I am very strict for this.

AGUHHH

Unngh...

AHHHH!
WHAT THE
HECK IS
THIS?!

I know.

She's so cute~

EWMMMMM

Hello, MarMar. Sorry for inviting you like this. You know, your TRPG game isn't that appealing to us. But we really don't want to let you down.

So we discussed and researched for a long time and combined our hobbies to prepare a more "adult" TRPG game for you.

Don't worry, Marcy. I have enough experience hosting BDSM games as a 'Dungeon Master'. So I can definitely host today's special TRPG game well as a 'DM'. Same meaning, right?

It's totally different!!

OK.
That's enough,
Anne. Don't do it
so far.

Well well well,
looks like our little Marcy
didn't pass the constitution
check. Now the trap
is triggered.

Let's see what
enemy you're
facing with.

Y... Yeah,
Critical
Success!

Does that
mean I just pass
this round?

Nah, that means you
have to deal with this
20cm big boy~

NOOO!
IT'S
TOO BIG!

STOP
IT!!

OOOHHH

That's it!

Come on, It's just round one!

Hey Sash ♪

WTF are you doing!? I told you we only have fun with Marcy today! Get off me now!

I know but you looks so hot tonight.

There's still a vacant 'seat' and I'm sure Marcy wouldn't mind if I ride on~

Baby, we're gonna start speeding up~

This is the final battle, Marcy! No safe word, no archiving time, and you can't pause the game even you begging for mercy!

CLAMMING!

Does your butt
still hurt, Marcy?

It was my stupid
idea. If you're angry,
take it out on me. I admit
the plan was sloppy, the
script was improvised,
too rough...

It's not a
TRPG game.

You're even
not a real DM.

Is this cup
of hot cocoa enough?
I can still get some
hot tea.

But this fake TRPG is awesome!
Punishment for defeat? The rules of the game
for adults? I started fantasizing about it a long time
ago. I've been meaning to share this fantasy with
you guys, but I was afraid you'd think I was a
freaky nerd. I waited ten years,
and you invite me first!

Let's play round two!
I teach, you learn!

Hey, it's Yumail here!

Thank you for reading *Marcy's Special TRPG Night*!
This is my first adult comic XD

In 2024, I plan to draw a one-page NSFW comic about Sasha and Marcy's misunderstanding of the Dungeon Master. But I suddenly realized, hey, why not paint a whole story? That was the beginning of this comic.

I started drawing the first page in April 2024 and finished the last page in February 2025, which was a huge challenge to me. The last pictures are a great improvement over the earlier ones. I also learned a lesson: you never have to paint the cover first.

Thanks again for your patience! It was my dream to draw comics when I was little, whether SFW or NSFW. I will continue to draw and put out more *Amphibia* or *Adventure Time* fan-made comics, or whatever.

Painting dream never fades away.

HOW DOES
SHE FIGHT
SO WELL
WITH A
FORM LIKE
THIS...?

I CAN
EVEN SEE
HER RIBS
STICK OUT...

BUT HER
SLIM BODY
AND SMALL
CHEST...

I THOUGHT
IT MIGHT
BE FUNNY
TO TEASE
HER A
LITTLE.

TEASE
HER,
BUT...

I ONLY
WANTED
TO...

THE TOTAL
OPPOSITE
OF... HER.

WHA...!?

IT'S
BEEN A
WHILE,
HASN'T
IT?

HUH?

WHAT'S
WRONG?
LOOKING SO
FLUSTERED
AFTER JUST
A KISS.

hah...

ARE YOU
DOING
...?

W-WHAT...

※ LAPIS DOESN'T WEAR PANTIES.

they're roughly equivalent size.

IF YOU'RE GOING TO ACT LIKE THAT, I'LL TREAT YOU THE SAME!

KYAA!

DON'T GET CARRIED AWAY.

HEY...

Gah!

WHAT DO YOU MEAN, "THAT SORT OF THING"?!

NO WONDER YOU'RE ALWAYS COVERED IN MARKS!

IF THIS IS HOW YOU AND JASPER TREAT EACH OTHER,

It's absurd!

YOU MIGHT BE USED TO THAT SORT OF THING BUT I'M NOT INTERESTED!

Ow!

STOP!

NGH...!

s-she's a really good kisser...

HAA...

FU~!

Ngh!

UGH, SHUT UP ALREADY, PEARL!

CAN'T YOU KEEP QUIET FOR EVEN A SECOND?

BECAUSE THAT LOOK ON HER FACE TELLS ME SHE FEELS THE SAME WAY.

END.

THANK YOU FOR PICKING UP THIS BOOK!
IT WAS FUN DRAWING SOME REALLY LEWD YURI.

I THOUGHT IT WOULD MAKE FOR AN INTERESTING DYNAMIC
IF LAPIS WAS JEALOUS OF PEARL.
I ALSO WANT TO SEE THEM CATFIGHTING OVER THEIR BIG WOMEN.

Throughout the past few weeks, I have sensed a presence moving about the grounds.

Our security measures are the best in the realm, for I have set them up myself, yet something has managed to bypass them.

My familiars, Sarah and Sully, have reported "Strange coincidences" regarding the summoning assignment my students are undertaking that relate to their subsequent failures thus far.

As the deadline nears, they have banded together to make one final attempt to complete the aforementioned assignment. While I do have my reservations about them doing this while the world barriers are at their weakest, knowing there is something lurking the halls, I will let them move forward out of respect

My pupils may be young but their potential is vast. They may very well be able to solve this season's mystery, and even if they trip up again I'll be sure to guide them along to the dawn.
